REFOCUS 2nd Multiplier Event set to take place in Madrid, Spain

On March 10, 2025, REFOCUS (REthinking and FOstering Competence and skills for sUustainable transport, Shipping, and logistics) project will host its 2nd Multiplier Event in Madrid, Spain. The event invites educators, experts, and innovators to come together for learning, networking, and promoting collaboration.

The REFOCUS 2nd Multiplier Event will kick off with a networking session, followed by interactive Challenge Clinique breakout discussions on key topics such as Climate Literacy, Just Transition, and the barriers and drivers of implementing new curricula. Participants will engage in dynamic dialogues aimed at fostering inclusive and sustainable practices within transport, shipping, and logistics. A roundtable discussion will then discuss bridging the gap between academic frameworks and real-world sustainability challenges. The event will conclude with a networking aperitif, offering participants the opportunity to connect with international stakeholders and share insights on advancing climate literacy and sustainability practices.
